## BOOK SYNOPSIS

The latest chapter in the Man on a Mission series spotlights a film star in his darkest drama yet. Widower Dirk DeWinter is a screen legend, but his favorite role is caring for his twin toddlers. So when his daughters are kidnapped while he's on location in Hong Kong, the desperate dad enlists the help of private investigator Mei-li Moore to track them down. But digging up secrets from Dirk's past unleashes something more potent—and dangerous—than either of them ever expected. Mei-li knows Dirk is off-limits, both professionally and emotionally, yet she still can't help but fall for the doting father. As their mission threatens to unravel, will they risk their hearts and lives to save the twins—and each other?
