BOOK SYNOPSIS

CARING FOR SCHOOL-AGE CHILDREN, 6th Edition, presents the most pertinent information needed by those involved in after-school programs. Current research has established the importance of quality after-school programs due to their tremendous impact on children's academic achievement, overall happiness, and self-esteem. To address this reality, the new edition presents the latest research and information on school-age child care, and offers numerous practical applications and activities that can be put to use immediately in a child care setting. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
