BOOK SYNOPSIS

Edna Lewis--whose *The Taste of Country Cooking* has become an American classic--and Alabama-born chef Scott Peacock pool their unusual cooking talents to give us this unique cookbook. What makes it so special is that it represents different styles of Southern cooking--Miss Lewis's Virginia country cooking and Scott Peacock's inventive and sensitive blending of new tastes with the Alabama foods he grew up on, liberally seasoned with Native American, Caribbean, and African influences. Together they have taken neglected traditional recipes unearthed in their years of research together on Southern food and worked out new versions that they have made their own. Every page of this beguiling book bears the unmistakable mark of being written by real hands-on cooks. Scott Peacock has the gift for translating the love and respect they share for good home cooking with such care and precision that you know, even if you've never tried them before, that the Skillet Cornbread will turn out perfect, the Crab Cakes will be "Honestly Good," and the four-tiered Lane Cake something spectacular. Together they share their secrets for such Southern basics as pan-fried chicken (soak in brine first, then buttermilk, before frying in good pork fat), creamy grits (cook slowly in milk), and genuine Southern biscuits, which depend on using soft flour, homemade baking powder, and fine, fresh lard (and on not twisting the biscuit cutter when you stamp out the dough). Scott Peacock describes how Miss Lewis makes soup by coaxing the essence of flavor from vegetables (the She-Crab and Turtle soups taste so rich they can be served in small portions in demitasse cups), and he applies the same principle to his intensely flavored, scrumptious dish of Garlic Braised Shoulder Lamb Chops with Butter Beans and Tomatoes. You'll find all these treasures and more before you even get to the superb cakes (potential "Cakewalk Winners" all), the hand-cranked ice creams, the flaky pies, and homey custards and puddings. Interwoven throughout the book are warm memories of the people and the traditions that shaped these pure-tasting, genuinely American recipes. Above all, the Southern table stands for hospitality, and the authors demonstrate that the way everything is put together--with the condiments and relishes and preserves and wealth of vegetables all spread out on the table--is what makes the meal uniquely Southern. Every occasion is celebrated, and at the back of the book there are twenty-two seasonal menus, from A Spring Country Breakfast for a Late Sunday Morning and A Summer Dinner of Big Flavors to An Alabama Thanksgiving and A Hearty Dinner for a Cold Winter Night, to show you how to mix and match dishes for a true Southern table. Here, then, is a joyful coming together of two extraordinary cooks, sharing their gifts. And they invite you to join them.
